

PSI ITOA XI

Scholarship and Award Application

Thank you for your interest in the Alpha Omega Chapter of Psi Iota Xi Scholarship and Awards. This application will be considered for any and all of the awards for which you qualify, so it is only necessary to submit one application. Please be attentive to completing all of the information so that we will be able to consider you for all of the awards that might meet your qualifications.

Please follow these directions when completing this application:

1. You may complete the application by hand or electronically.
2. Please do not reformat the application. We do want your name and contact information to be on its own page. Your application will have a “blind” review by our committee. We want to review your qualifications, not “who you are,” prior to making selections.
3. We do not need to have letters of recommendation only names and contact information for the folks you list as references. If needed, we will contact them with any question we might have.
4. Please limit your statement of educational/professional goals to the space allotted.
